

HOW YOU CAN GET INVOLVED

This #WorldDiabetesDay, join our call for education to protect tomorrow. You can support the call and raise awareness of the need for more diabetes education in a number of ways:

TOP TIP: Share your pictures on social media with #WorldDiabetesDay, so we can show the different ways that people are taking action on diabetes around the world, [here](#) >

- **Take and share our education courses:** boost your diabetes knowledge with free courses and training from the IDF School of Diabetes
[Learn more](#)
- **Display our visual assets:** download and display posters, infographics and banners in your community
[View all WDD 2022 resources](#)
- **Organise an event:** walk in blue for diabetes, light up a local landmark, or arrange a local diabetes fair
[Submit your activities and photos online](#)
- **Share a blue circle selfie:** take a photo with the diabetes blue circle and share your diabetes story online
[Download the Blue Circle app](#)
- **Involve the media:** contact your regional, national and local media outlets to ask if they are interested in an interview with your lead spokesperson
