

RESOURCES AND VISUAL ASSETS

Download and display our dedicated campaign resources to raise awareness of World Diabetes Day 2022.

THE WDD LOGO

Display the logo on your website or social media this WDD.

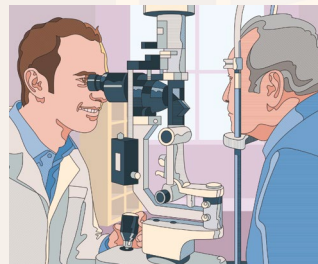

world diabetes day
14 November

Download the logo

TOP TIP: If you require assistance adapting the visuals, please contact wdd@icdf.org. Source files are available on request to adapt the visual assets into other languages.

WDD 2022 POSTERS AND INFOGRAPHICS FOR HEALTHCARE PROFESSIONALS

Encourage healthcare professionals who work with people living with diabetes to boost their diabetes education. Display these in breakrooms, classrooms, and staff areas in your clinics and hospitals.

Diabetes: education to protect tomorrow

One in nine people will have diabetes by 2030. This will put more pressure on healthcare professionals to provide the best care.

How up-to-date is your knowledge?

WDD 2022 POSTERS AND INFOGRAPHICS FOR PEOPLE LIVING WITH DIABETES

Guide people living with diabetes in your community to free diabetes education with posters in waiting rooms, treatment rooms and community group spaces.

Diabetes: education to protect tomorrow

More than 90% of diabetes care is self-care. Do you have the knowledge to make informed decisions?

Take charge of your diabetes care
